COLLECTIONS 2016

The background of the page is a monochromatic teal photograph of a coastal landscape. In the foreground, waves with white foam are breaking onto a sandy beach. The middle ground shows the calm sea extending to a distant, hazy horizon. In the background, dark, silhouetted mountains rise against a lighter sky. The overall mood is serene and natural.

## *Eleganza*

Eleganza was inspired by the nostalgic return to mid-century modern style where the quality of life was a well-balanced relationship between contemporary culture and nurtured values. Genuine content no longer needed exaggerated facades - beauty was grounded in softened simplicity.

The new bathroom furniture line by Lacava includes a range of single and double-bowl vanities from 24" to 72" wide completed with a choice of mirrors, medicine cabinets and additional storage cabinets. Vanities available in multiple finishes can be installed with optional legs or as wall-mount units.

## *Eleganza Faucets, Shower systems and Accessories*

Clean geometric lines emanate a sense of power and reliability. The Eleganza line, available in polished chrome and with a choice of knob, lever or cross handles, consists of a complete selection of faucets for lavatories, mixers for tubs and showers, as well as shower heads, and bathroom accessories. The line is designed to find the right solution for any bathroom arrangement.

Our logo reflects the elegance & majesty of *Mount Vesuvius*, the infamous volcano which buried the city of Pompei, Italy, in 79 AD. Mount Vesuvius is the most impressive sight for many miles in the Naples region, and was a constant inspiration for the founder of LACAVA, as he looked from the balcony of his childhood home in Italy.
