Minimal Three-Hole Faucet Item #0103H1/0103H2

Warranty

LACAVA warrants its products to be free from any defects in materials or workmanship, during normal residential or commercial use, including all hinges, drawer slides, cartridges, finishes, and general workmanship of the item. LACAVA warranties do not cover normal wear and tear, damages due to negligence, improper installation, alterations, improper repairs, improper use, improper maintenance, or damages due to uses of the product other than its intended and normal use. All warranties last for a period of one year from the date of purchase. If a defect is found under normal use, while under warranty, LACAVA will repair or replace the product (whichever cost is smaller to LACAVA) at its own expense (excluding shipping and installation charges). Under no circumstances is LACAVA responsible for installation/service fees or any dollar amount beyond the cost of the item. In addition, all LACAVA products are to be installed by experienced professionals properly licensed and bonded; otherwise, any LACAVA warranty and liability is to be considered waived. All warranties are non-transferable and proof of purchase is required for any warranty claim.

In accordance with the laws of limitation and exclusion state by state, and therefore provided the duly exceptions, LACAVA will not be held liable, in any event, for any special, indirect, incidental or consequential damages or losses (including but not limited to damages for loss of business, loss of profits, etc.) for breach of contract, tort (including negligence), product liability or otherwise, even if it has been advised of the possibility of such damages. LACAVA's liability on any claim (including negligence) will not in any case exceed the contract price paid by the original purchaser for the product claimed defective or unsuitable. It is the responsibility of the homeowner to ensure that all installed fixtures comply with all local plumbing codes.

Cleaning & Care Instructions

For best results, please care for this product in accordance with the following instructions:

- Only use warm water and a mild detergent (i.e. dishwashing soap) for cleaning.
- If another cleaner is used, check the label to make sure that it is safe for use on the material being cleaned and always test in an inconspicuous area first.
- Make sure to wipe any excess cleaners off with a damp sponge or cloth and then rinse with water.
- Dry the surface with a soft cloth until dry after each use.
- Never use abrasive materials or cleaners that contain ammonia, bleach or acid, since they can cause damage to the finished surface.

We would like to thank you for your purchase and are confident that you will be able to enjoy our products for many years to come!

Parts Breakdown

Spout Fixing Kit contains (from top to bottom): 2 Rubber Washers, 1 Metal Washer, and 1 Locking Nut.
 Handle Fixing Kit contains (from top to bottom): 2 Rubber Washers, 1 Metal Washer, and 1 Locking Nut.

Installation Instructions

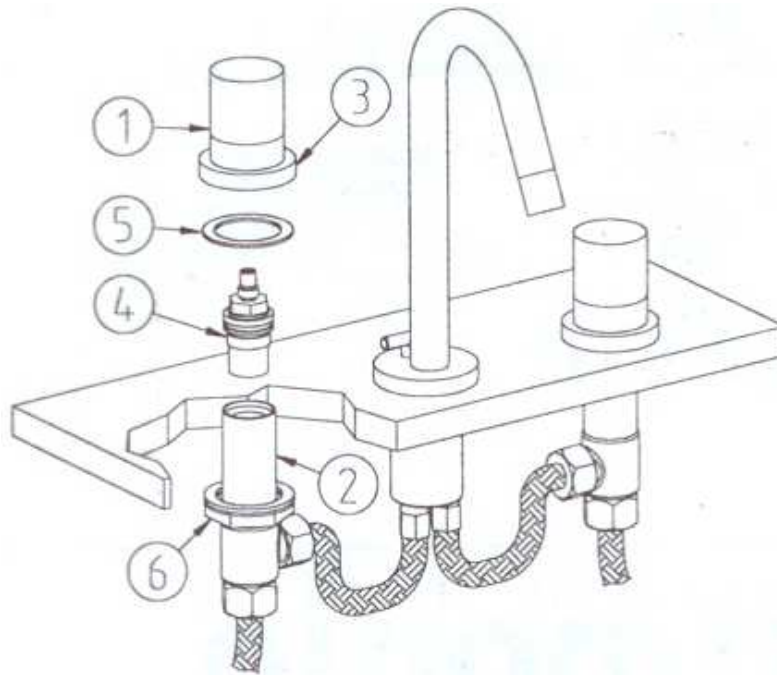

1. Slide the pop-up control wire through the groove on the back of the faucet body and then screw the two smaller supply lines into the bottom of the brass base.
2. Place a rubber washer around the base of the faucet, and then place the brass base through the designated faucet hole on your sink.
3. From below the sink, slide a rubber washer onto the brass base of the spout so that it presses up against the porcelain.
4. Next place the metal washer onto the brass base of the spout so that it presses up next to the rubber washer.
5. Screw the locking bolt onto the brass base by hand until tight, and then turn an additional $\frac{1}{4}$ turn using a wrench. Be careful not to over tighten the bolt, as this may cause damage to the sink.
6. Next screw a locking nut onto one of the cartridge housings, and then slide on a metal washer, followed by a rubber washer.
7. Place a small rubber washer onto the base of the control handle and then place over the designated hole of your sink.
8. From below the sink, screw the cartridge housing into the control handle by hand until tight.
9. From below the sink tighten the locking nut on the cartridge housing by hand until it is tight against the sink, and then turn an additional $\frac{1}{4}$ turn using a wrench. Be careful not to over tighten the bolt, as this may cause damage to the sink.
10. Repeat steps 6-9 for the second control handle.
11. Attach each of the supply lines from the base of the faucet to one of the threaded openings on the side of the cartridge housings.
12. Attach the pop-up control wire to the control rod attached to the drain by placing the wire through the clamp at the end of the control rod and tightening with the attached screw.
13. Connect hot water supply line to the left cartridge housing and the cold water supply to the right cartridge housing.

Pop-up Wire Operation Instructions

1. To close the drain, pull the pop-up wire up and then turn the knob at the end of the pop-up wire vertically to lock it into place.
2. To open the drain, turn the knob at the end of the pop-up wire so that it is horizontal.

Replacement of the Ceramic Disk Cartridge

1. Unscrew the control handle (1) from the cartridge body (2) by rotating the base of the control handle (3).
2. Unscrew the ceramic disk cartridge (4) from the cartridge body (2).
3. Replace the new ceramic disk cartridge onto the cartridge body (2).
4. Place the rubber washer (5) on the suitable hole of the basin top and screw the control handle (1) onto the cartridge body (2) tightly.
5. From below the sink tighten the locking nut (6) on the cartridge housing (2) by hand until it is tight against the sink, and then turn an additional $\frac{1}{4}$ turn using a wrench. Be careful not to over tighten the bolt, as this may cause damage to the sink.

Replacement of the Aerator Cartridge

1. Unscrew the aerator body (1) from the spout (2).
2. Screw the new aerator body (1) onto the spout (2).

Replacement of the Lever Motion Handle

1. Unscrew the lever holder (1) from the cartridge body (2).
2. Unscrew the screw (3) and take out the control handle (4), Nylon gaskets (5 & 6), and the control extension (7).
3. Insert the new spare control handle (4) on the holder (1) after placing the Nylon gasket (5).
4. Slide the Nylon Gasket on the extension (7) and proceed by fixing the lever motion handle (4) on the holder (1) using the screw (3).
5. Place the rubber washer (8) on the suitable hole of the basin top and screw tightly the complete lever motion handle on the end of the cartridge body.
6. From below the sink tighten the locking nut (9) on the cartridge housing (2) by hand until it is tight against the sink, and then turn an additional $\frac{1}{4}$ turn using a wrench. Be careful not to over tighten the bolt, as this may cause damage to the sink.

Terms and Conditions

UNIQUENESS

Many LACAVA products are made of natural stone, woods, or metals. Because of the natural variations, and/or handmade nature of the products, slight differences are expected and are not deemed manufacturing defects.

SHIPPING POLICIES

Once the merchandise is released to and accepted by the carrier, LACAVA's responsibility ends. LACAVA LLC is not responsible for damages occurring in transit. After the merchandise is delivered and the shipping document is signed, it becomes the property of the purchaser. We constantly improve the packaging as new technologies become available, but damages in transit may still occur. Therefore, we recommend that all packages be inspected by the purchaser in the carrier's presence upon delivery. In case of damages, either visible or concealed, the purchaser is responsible for filing any damage claim against the carrier. In this regretful circumstance, we suggest utter diligence to have the carrier's agent explain the steps to submit a valid claim against the carrier, as each carrier has different claim policies. Please document everything in writing, preferably on the shipping documents and have also the carrier's agent sign along. If you wish that Lacava assists you in the claim process, please fax or email us copies of the shipping and claim documents at your earliest convenience. In the case of missing items, which could occur due to our mistake or a theft during transit, please follow same procedures as for shipping damages above, with the only difference that the claim concerns something completely missing, rather than damaged. Please take note of any visible tampering with the packaging in the presence of the carrier's agent before accepting the delivery with your signature. In case of missing items, you must also inform LACAVA and send us all related documents within 24 hours from the delivery date. We will open an internal investigation and check the inventory count to determine whether it was our error. If we verify it was our mistake, we will promptly ship the missing item(s) to the purchaser by standard ground at our cost.

RETURN POLICIES

If the product is not satisfactory for any reason different from defects, it can be returned to LACAVA LLC up to 30 (thirty) days from the shipping date after obtaining a Return Goods Authorization (RGA) valid for 60 (sixty) days. If the product is not returned to LACAVA within that timeframe, the RGA will be voided and no further RGAs will be issued for the product. The merchandise must be in salable condition, in its original packaging, and packed safely with the RGA number clearly marked on the outside packaging. To obtain an RGA number, please fax or email the request with a description of the reason for return. The merchandise must be in its original packaging and packed safely in accordance with the carrier's packing requirements, with the RGA number clearly marked on the outside packaging. LACAVA reserves the right not to issue any credit, if an approved RGA number has not been obtained. A restocking fee of 25 percent and applicable shipping charges to the customer and back will be deducted from the credit amount. Credit (excluding shipping and handling charges) will be given only for returns of intact products up to 30 days from the shipping date. After 30 days from the shipping date, no returns will be accepted. All returned merchandise is at the purchaser's risk and cost. Special order and custom made items are not returnable. Products must be inspected prior to installation and installation of the product means its acceptance. Product, once installed, cannot be returned. Damages occurring in installation are not considered defects and are not subject to return or refund. LACAVA will replace any defective item for free only after the non-conforming product is safely returned to LACAVA's warehouse safely in accordance with the carrier's packing requirements, and in its original packaging, within 30 days from the shipping date. If the product is not found to be defective and is damaged in any way, there may be a charge for any replacement. In any case, LACAVA does not cover installation costs.
